Iqbal Memorial Trust
Srinagar

Subject: - Approval for disbursement of Jibrail Memorial Scholarship.

Assalamu-Alaikum

Jibrail Memorial Trust of the college has received two more installment of Rs. 1 lac (Rupees one lacd only) (Annex. A) from the parent of late Jibrail Jameel (Ex-Student of this college), vide cheque No. 054113, dt. 6-10-2021 and vide No. 054118 dated 11/07/2022 (Annex-A & B).

The amount is to be distributed among deserving identified orphan & needy students of the college recommended by the Jibrail Memorial Committee constituted for the purpose functioning under the guidance of the principal. The recommended list of beneficiary students is hereby enclosed as Annex-B.

Hence submitted for grant of approval for the said distribution.

Yours Sincerely

Mir Zaffar Hussain

Sub: Request for considering means cum merit scholarship to students of IITM Srinagar.

Dear Sir,

I am writing this letter to request your consideration for awarding means cum merit scholarships to students belonging to the economically weaker section of society who study in our educational institution.

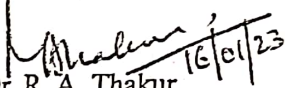

As you are aware of the fact that, the higher education is becoming increasingly unaffordable for many families, especially those who come from low-income backgrounds. Despite their academic potential, many such students face financial constraints that prevent them from continuing their education. This not only affects their future but also restricts the progress of our society as a whole.

I strongly believe that providing scholarships to these students can make a significant difference in their lives. Not only will it ease the financial burden on their families, but it will also enable them to focus on their studies and reach their full potential. By investing in their education, we can help bridge the socio-economic gap and ensure that talent is not wasted due to financial constraints.

I would be grateful if you could provide scholarships to these students to help them pursue their academic goals. This would go a long way in promoting equality in education and creating a level playing field for all students, regardless of their financial background. In this regard, kindly find enclosed herewith the list of students deserving to be helped via means cum merit scholarships. The amount received shall be adjusted against their tuition fees at IITM Srinagar respectively.

Thank you for your time and consideration. I look forward to hearing from you soon.

Sincerely,

Dr. R. A. Thakur,
Director

IITM Srinagar

No: IITM/2022/POC/319/175

Dated:- 07-03-2022-

Hon'ble Chairman
Iqbal Memorial Trust
Iqbal Abad, Bemina
Srinagar.

Subject: Establishment of Computer Laboratory at nearby New Age Public School, Laloo.

Sir,

Please recall our discussion in a meeting held on 20-12-2021 (minutes of meeting attached) to set up a Computer Laboratory at nearby New Age Public School. Earlier we planned to donate 10 No. of computer system to the said school, but keeping in view the other supporting equipment required for the facility, it is feasible to set-up the computer laboratory with initially 05 computers only. This shall enable a basic ICT facility to get established so that students learn the basics of computer system and its applications.

During our visit to the nearby primary school upon your directions, we found that there is no electric supply connected to the school and hence donation of computer systems is not sufficient. The school also needs electric supply, furniture and other electric gadgets for successful establishment of computer lab.

As your good self is aware that our Institution offered a (short term) computer course to the young students of the school under reference, in which 40 No. of students participated. The two weeks computer course was hosted at IITM and commenced from 10-11-2021 to 29-11-2021. The enthusiasm and dedication of these 40 students was clear from their regularity and interaction. Hence it becomes imperative for us to extend our resources for the well being of these students.

Besides, under the Community Development Program with respect to NAAC, this gesture shall also score us few points in SSR.

As mentioned earlier, the following items shall be required for successful establishment of Computer Lab:

- | | |
|---------------------------------|----------|
| 1) Computer Tables | = 05 No. |
| 2) Plastic Chairs | = 10 No. |
| 3) Voltage Transformer (Auto) | = 5KVA |
| 4) Extension of Electric Supply | = 5 No. |
| 5) UPS 500 VA | = 5 No. |

5

Since the electric supply (connection) to the school has been done by the school administration themselves, also the items mentioned above are to be facilitated. It is proposed to provide the said items as per the following course of action:

- a) Item no. 01 and 04 shall be provided by construction wing, IMT. These items are to be manufactured by carpenter and electrician.
- b) Item no. 02, 03 and 05 shall be purchased from open market. The approximate cost of these three items is as below:

i)	Plastic Chairs (10 No.)	=	600 * 10	=	6,000.00	✓
ii)	UPS 500 VA (5 No.)	=	2200 * 5	=	11,000.00	✓
iii)	Voltage Transformer (Automatic 5 KVA) 2 KVA	=		=	22,000.00	5000/2
TOTAL				=	39,000.00	25000/2 Rs. 22000/2

(Rupees Thirty Nine Thousand only)

Hence it is requested to approve the development of Computer Laboratory in New Age Public School, Laloo with the 'action plan' as mentioned above and estimated cost of Rs. 40,000/- (approximately).

Yours faithfully,

Subject: Purchase of 5 KVA voltage transformer instead of 2 KVA.

Ref: Establishment of Computer Laboratory at nearby New Age Public School, Laloo.

Sir,

As your goodself is aware that our Institution is planning to develop a Computer laboratory at nearby New Age Public School, Laloo with an estimated cost of Rs. 39,000/-, a proposal was sent (as enclosed) to honorable Chairman, IMT for approval on 07/03/022. The said proposal has been approved by the honorable Chairman with a change in specification of voltage transformer. Instead of 5 KVA voltage transformer, only 2 KVA transformer is approved. The wattage of said transformer was well calculated and kept on 5KVA as per the analogy mentioned below:

COMPUTER LABORATORY WITH 5 COMPUTERS				
S. No.	Item	Wattage/ Unit (in Watts)	Wattage/ 5 Units (in Watts)	Total Consumption (in Watts)
01.	CRT Monitor	150 (during startup)	5 x 150	750
02.	UPS	500	5 x 500	2500
			Total:	3250 (3.5 KVA) approx.

The Gadget at S. No. 01 (i.e. CRT Monitor) shall be directly connected to voltage transformer, and being power hungry consumer maximum power during startup.

The 05 number of Cabinets shall be connected to 05 UPSes, which in turn shall be connected to Voltage transformer. The same UPSes cannot work on voltage below 180V, and in that case they shall automatically switch to battery mode. Since the input voltage remains below 150V as enquired from the School authorities and nearby residents, the Voltage transformer is necessary for the UPSes to work. It is important to mention here that if the battery of UPS is exhausted, (in addition to the connected load) it will fetch more power from input for charging its battery.

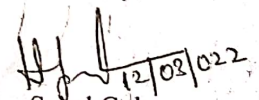

Also, the proposed wattage of voltage transformer was kept at slightly higher end keeping the scope of equipment augmentation like Laser printer etc. in view.

Hence the approved 2 KVA transformer shall not suffice the requirement as mentioned above, instead a 5 KVA voltage transformer is required.

under the light of approval at page-5, the (x) be kindly approved, as justified by above details, which involves an additional cost of Rs 17000/- (seventeen thousand).

Thank you.

Yours faithfully,

Sajad Gul
Vice Principal, IITM

H. Chairman

Date: 02-07-2022

✓ Secretary
IMT, Srinagar

Sub: Approve the expenditure of Rs. 20,500/- (Twenty thousand five hundred only) incurred upon purchase of UPSs for New Age School, Laloo.

Assalam u Alaikum

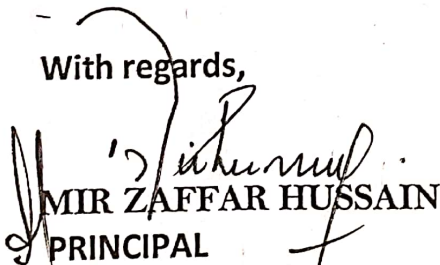

Please find enclosed here with the below detailed bills regarding the above cited subject:

S.No.	Bill No.	Bill Date	Amount
01	033	07-05-2022	Rs. 11,500.00
02	175	28-05-2022	Rs. 9,000.00
Total			= Rs. 20,500.00

Further, an amount of Rs. 20,000/- was approved & released in this favour by the Competent Authority, vide Ch. No. 101936, Dt. 06-05-2022. However, due fluctuation in the market rates an amount of Rs. 500/- had to pay more which we met from the College Imprest account.

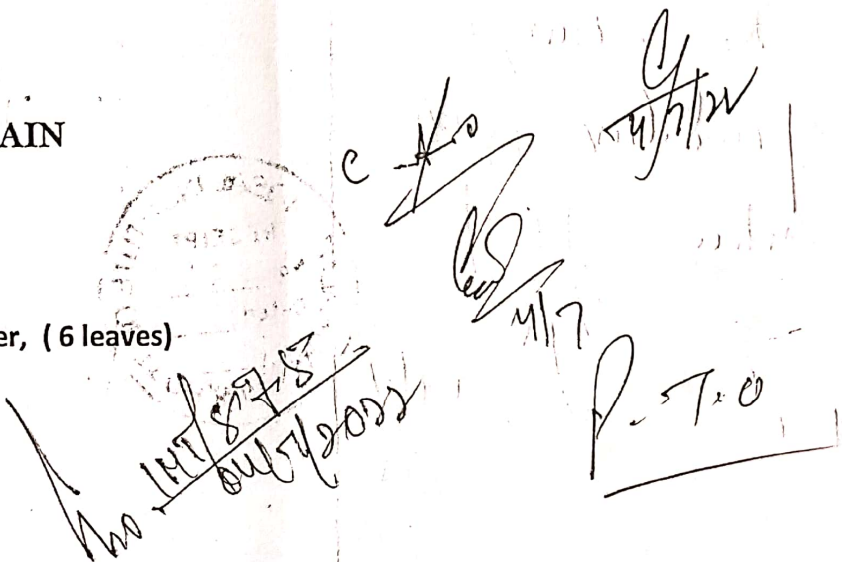

It is therefore, requested that the expenditure of Rs. 20,500/- (Twenty thousand five hundred only) may please be approved & adjusted.

With regards,

MIR ZAFFAR HUSSAIN

"CHINAR DAY"

CHINAR DAY was celebrated at IITM on 15th March. Chief Guest invited was Deputy Commissioner Mr Fakhruddin Hamid and DFO Muhammad Ashraf Kuttay. The events and activities organized by our college to celebrate Chinara Day.

Events Organized:

To commemorate Chinara Day, our college organized various events such as tree plantation drives, seminars, and cultural programs. The event began with the planting of Chinara saplings in the college garden by the principal, faculty members, and students. A seminar was organized to enlighten the students about the importance of Chinara trees and the need to conserve them. Experts from the field of environmental conservation and horticulture were invited to share their knowledge and insights on the subject. A documentary on Chinara trees was also screened, which highlighted the historical and cultural significance of these trees in the Kashmir Valley.

Cultural Program:

To showcase the cultural significance of Chinara trees, The college students and faculty participated in the cultural program with great enthusiasm and zeal.

Feedback and Reactions:

The Chinara Day celebrations received an overwhelming response from the college community. The students were thrilled to learn about the significance of Chinara trees and were eager to participate in the various events organized by the college. The faculty members appreciated the efforts of the college in raising awareness about environmental conservation and sustainable development.

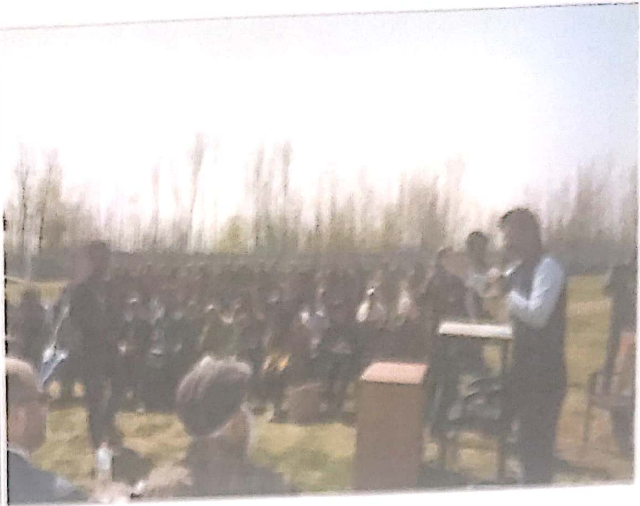

Impact of Celebrations:

The Chinara Day celebrations had a positive impact on the college community and the wider public. The celebrations helped in creating awareness about the importance of Chinara trees and the need to conserve them. It also helped in promoting sustainable development and environmental conservation. The college received widespread media coverage, which helped in spreading the message to a larger audience.

Conclusion:

The Chinara Day celebrations organized by our college were a huge success. The events and activities organized by the college helped in creating awareness about the importance of Chinara trees and environmental conservation. The celebrations were a perfect blend of education and entertainment and received an overwhelming response from the college community. The college plans to continue organizing Chinara Day celebrations in the future to promote sustainable development and environmental conservation.
