Srinagar (Jammu and Kashmir)

Picturesque and enchanting, Srinagar is cradled high in the lofty green Himalayas and hailed all over the world for its incredible natural beauty. Surrounded by mountain peaks, lush green valleys, glistening lakes, temples and spectacular Mughal-era gardens, the city has inspired poets through centuries.

The summer capital of Jammu and Kashmir, Srinagar, is situated in the heart of the Kashmir Valley with the Nagin and the Dal Lake adding to its beauty. The city is famous for its gardens, lakes and houseboats. It is also known for traditional Kashmiri handicrafts and dried fruits.

The city is located on both the sides of the Jhelum River, which is called Vyath in Kashmir. The river passes through the city and meanders through the valley, moving onward and deepening in the Dal Lake. The city is famous for its nine old bridges, connecting the two parts of the city.

ABOUT...

THE INSTITUTE OF COST ACCOUNTANTS OF INDIA

The Institute of Cost Accountants of India was set-up in 1944. It was granted Sovereign Status under an Act of Parliament in 1959. It is a premier national body engaged to profess, propagate & regulate the profession of Cost and Management Accounting in India. Over the period with more than 1 Lakh members in employment & practice, and more than 5 lakhs students, the Institute has grown as the world's second largest & Asia's largest professional body of Cost & Management Accountants. The Institute has 4 regional offices & 2 centers of excellence, 116 chapters, more than 500 recognized coaching centers, & 51 CMA support centers spread all across the country. The Institute also has 11 overseas centers in Washington DC, London, Canada, Singapore, Tanzania, Zambia, Nepal, Botswana, Bahrain, Muscat and Dubai. The Institute is founder member of IFAC, CAPA, SAFA etc.

ICMAI REGISTERED VALUERS ORGANIZATION

In this backdrop, the Companies Act, 2013 brought into the light the concept of 'Registered Valuers' to regulate the practice of Valuation in India and to standardize the valuation practices in line with International Valuation Standards. Consequentially, The Ministry of Corporate Affairs (MCA) notified the provisions governing valuation by registered valuers vide Section 247 of the Companies Act, 2013 and the Companies (Registered Valuers and Valuation) Rules, 2017.

In view of the above, the Institute of Cost Accountants of India (Statutory body under an Act of Parliament) has promoted ICMAI Registered Valuers Organisation (ICMAI RVO), a section 8 company under Companies Act, 2013, which is recognised under Insolvency and Bankruptcy Board of India (IBBI) to conduct educational courses on Valuation for three different asset classes - Land & Building, Plant & Machinery and Securities or Financial Assets and to act as frontline regulator as Registered Valuers Organisation. The key functions of the company include – Enrolment of members as Registered Valuers, look at their professional development, grievances, discipline and promote development of valuation eco system and valuation profession within India. ICMAI RVO is an Academic Member of International Valuation Standards Council.

IITM SRINAGAR: A PREMIUM EDUCATIONAL INSTITUTE

Nestled in the heart of Srinagar, the Iqbal Institute of Technology and Management (IITM) stands as a beacon of excellence in technical education. At IITM Srinagar, the pursuit of knowledge goes beyond conventional boundaries. As trailblazers in the field of education, the institution has led the way in fostering the next generation of technologists and professionals. Notably, IITM has spearheaded the establishment of an online testing centre and a local academy affiliated with CISCO, bolstering students' expertise and equipping them for the digital age. With a commitment to academic excellence, IITM offers a diverse range of graduate and professional programs, empowering students to embrace a global perspective and attain industry-leading skills. A cornerstone of the institution's philosophy is the belief in nurturing holistic individuals, instilling in them not only technical prowess but also a sense of leadership, cooperation, cultural appreciation, ethical values, social responsibility, and healthy habits. By doing so, IITM aims to cultivate a dynamic workforce capable of contributing to the technological, economic, and social advancement of the state. Within the sprawling campus lies a sanctuary of knowledge- the IITM Library.
