

NOTICE

Student Grievance Redressal Portal (Samarth)

All students are hereby informed that the Student Grievance Redressal Portal is now active for submitting complaints, issues, and suggestions to academics, administration, facilities, or any other matter requiring attention.

Students can register and submit their grievances by scanning the QR Code. The QR Codes are already displayed on Notice Boards and Grievance Boxes across the campus for easy access.

Important points

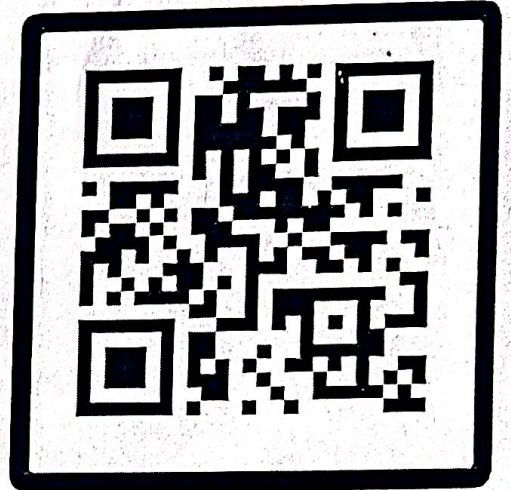

1. Students are advised to provide accurate and genuine information while submitting grievances.
2. Once submitted, grievances cannot be edited or deleted.

Your feedback is important for improving institutional quality and services.
